Take County Trunk EE from Portage until it joins County Trunk E, then to the farm.

Railroads — Those coming by train will find it most convenient to come to Portage, Wisconsin, which is on the main line of the Milwaukee Railroad running from Chicago to St. Paul. We will be glad to meet your train in Portage if you will notify us in advance. There are good hotels in Portage for those who arrive the evening before the sale.

Terms — The terms of this sale are cash.

Auctioneers — J. E. Halsey and H. P. Miller.

Mail Bids — Those unable to be present and who desire to take advantage of the buying opportunities in this sale, may do so by sending buying orders to Hal Longley of The Shorthorn World; Clinton K. Tomson, Secretary of the American Shorthorn Breeders' Association; or to either of the auctioneers. Mail or wires may be addressed to these men in care of The Hickories, Pardeeville, Wisconsin.

Health — All cattle in this sale have been tested for both Tuberculosis and Bangs disease within 30 days of the date of the sale. Health charts will be provided. Many of the younger cattle in the sale have been vaccinated for Bangs.

Guarantee — All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but cattle will be at buyers' risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound and healthy condition.

Liability — The above terms and guarantee constitute a contract between the seller and the buyer of each lot. Neither the sale manager nor the clerk of the sale assume any liability whatever. Although every precaution will be exercised to provide for the comfort and safety of our guests, we will not be responsible for accidents that may occur.

Good Calves Are What Count!

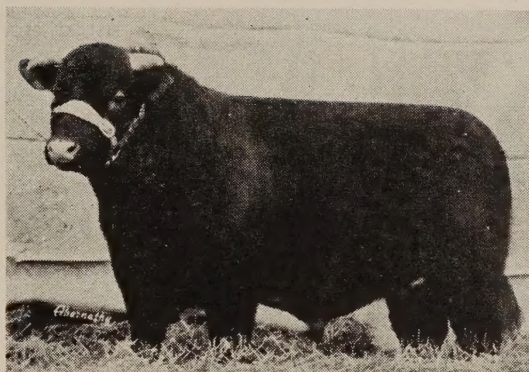

A group of calves by Edellyn Royal Leader 17th, the Otto G. Johnson herd bull.

The proof of any bull lies in the calves he sires. On every trip I have made to the herds consigning to this sale I have been impressed by the large number of top notch prospects that fill the barn lots. Through careful breeding and rigid culling these herds have been built to their present state of excellence. Only the best bulls obtainable have been used.

I have been accused on numerous occasions of being a stronger booster for Wisconsin Shorthorns than for those of some other sections. Perhaps I am guilty but, if so, it has only been because of the observation that buyers seem to get more for their money in Wisconsin than in a lot of other sections.

The cattle to be sold are backed by exceptionally strong Scotch ancestry. Each animal is a son or daughter of a top sire. The sale is to be held at "The Hickories," the beautiful farm owned by Dr. W. A. Taylor, and managed by Don James. It is a treat to visit this farm at any time but June will be an ideal month for such a trip. And, with 51 grand young cattle listed for such a sale, this will be an event that should be on your "must attend" list.

Hickories Scotty—We consider this bull to be one of the best we have ever sold. He has an excellent blocky type, is short legged and has the head of a great breeding bull. This calf is the result of intensive Goldfinder breeding and carries a beautiful Reynolds Bros. pedigree. We feel that he can be shown with great success. This calf was purchased along with his dam from Reynolds Bros. in our last sale.

THE GOLDFINDER BLEND

We have found that blending the blood of the great improver Supreme Goldfinder with that of Royal Ransom has produced the easy fleshing, deep bodied, good doing kind that everyone wants. Pictured at the top of this page is the excellent young bull we have recently purchased, Golden Rule Accent. He is a son of the \$18,000 Gold Accent by Supreme Goldfinder. Many of the heifers in this sale carry his valuable service. Picture below is Mintmaster, the bull that made such an excellent breeding record in our herd. He is a son of Supreme Goldfinder.
